the machinery could not be mobilized, as the State Governments of Maharashtra, Madhya Pradesh and Uttar Pradesh had not yet giving permission for the sale of surplus lands.

In the above scenario with a view to quicken the revival process, the Government has proposed to BIFR to permit modernization of the 15 mills in the first instance and to attempt modernization through a strategic private partner in other mills. Government has also approved the NTC proposal to offer VRS In mills where there is a demand for the same from employees.
